

FACILITATOR GUIDE TO PARTICIPATORY ACTIVITIES FOR
TOPIC 19: Skin Diseases

How to use the Card set in a participatory way

1. **Hold and Describe:** Using Card No 1 & 2 explain the transmission cycle of Scabies and Ring worm and give the information on the Trainer Guide.
2. **Bear witness:** Ask the members raise their hands if they have ever had such skin disease in their family.
3. **Transmission Route:** Give out Cards for Transmission of Skin Disease (1-8). Ask each person with a card to come to the front and describe what they see in their picture.
4. **Blocking the Route of Transmission:** Give out the prevention cards (9-20) and ask each person with a card to come and stand in front of the person who has a card that shows a transmission route of skin disease which can be prevented by their own card.
5. **Discussion:** What can be done to cure and prevent Skin Diseases
